1. Press  to turn on the scale. Display shows 0.
2. Press UNIT to choose the desired mode (g, mL, fl'oz, etc.)
3. Place a container (if needed) on the scale. Otherwise, place the object directly on the scale.
4. Press ZERO to zero out the container weight if using.
5. Add the item to be weighed. Display shows weight or volume.
6. Press and hold  to turn off the scale, or the scale will auto shut-off after 2 minutes of inactivity.

Do not exceed the maximum capacity of the scale (5kg).

# Zero or Tare function

---

This function allows you to weigh multiple items in sequence without removing previous items.

1. Place the first load on the scale
2. Press  to reset the display to "0"
3. Add the next item – only the new item's weight will be shown

### Condition 1: “ZERO” function

When total weight  $\leq$  4% of scale's max capacity

(e.g., 80g for 2000g max, 200g for 5000g max)

- LCD shows “0g” or “-----” after pressing ZERO
- “0g” and a circular icon indicate ZERO is activated
- Max capacity remains unchanged

### Condition 2: “TARE” function

When total weight  $>$  4% of scale's max capacity

- LCD shows “0g” and a “T” icon when TARE is activated
- Max weight capacity is reduced by the tared amount
- Pressing ZERO again shows total weight of all items

#### Under this condition:

To weigh additional items, continue using the ZERO button to reset the display to “0” before each new item.

# Warnings

---

1. Lo – Low battery. Replace with a new battery
2. Err – Overload. Remove excess weight to avoid damage
  - Max weight capacity is 5kg

## **Warranty**

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The benefits of this warranty are in addition to any rights and remedies imposed by Australian State and Federal legislation that cannot be excluded. Nothing in this warranty excludes, restricts or modifies any State or Federal legislation applicable to the supply of goods which cannot be so excluded, restricted or modified.

## **Guarantee**

We warrant that, subject to the exclusions and limitations below, the Product will be free from defects in materials and workmanship under normal domestic household use for the five year warranty period. The warranty period commences on the date of sale by the original retailer to the original purchaser. The warranty applies only while the Product is owned by the original purchaser.

Use of the Product in a commercial capacity will void this warranty. If a defect appears in the Product before the end of the warranty period and we find the Product to be defective in materials or workmanship, we will replace the Product with a product comparable in quality and value.

We reserve the right to change or discontinue our product ranges at any time without notice and without liability.

## **Exclusions**

This warranty does not apply if proper care and/or usage instructions are not followed. This warranty does not cover scratches, stains, discoloration or damage caused by misuse.

## **How to claim**

If a fault/defect is identified cease using the Product immediately. To make a claim on this guarantee, take the Product, proof of purchase and full details of the alleged defect to any Kitchen Warehouse store.

## **Limitations**

We make no express warranties or representations other than as set out in this guarantee. The replacement of the Product or the refund of the purchase price is the absolute limit of our liability under this guarantee.
